Damage to Property Will Amount to Thousands of Dollars—Mississippi Hit Also.

some seriously, by a tornado which swept through the western section of this city early today. Almost 250 homes were damaged, some of them being demolished.

The white persons killed were Mrs. J. H. and Henry Demott, seventeen years old, Mary Conley, a negro, was found lying with her dead baby in her arms. The other victims were four negro men. Several negroes were taken to Charity Hospital so seriously injured physicians believed they would die.

The State Institution for the Deaf and Dumb was partly demolished and a number of handsome residences on Northwest street, Bailey avenue and neighboring streets were wrecked. The tornado was preceded by a downpour of rain and a severe electrical storm. Striking the southwest suburbs of Jackson the tornado traveled north-east, cutting a path more than 100 yards wide through that portion of the city. The property damage was estimated at more than \$150,000.

River Overflows at Wichita.

WICHITA, Kan., June 6.—Packing house whistles sounded warnings to citizens to flee to the high ground today. Every policeman, the entire fire department and every available boat and motor car were pressed into service to rescue marooned families along the creeks in the northern part of the city. Little Arkansas river left its banks and is flooding a large portion of the town.

CHARLESTON, W. Va., June 6.—A primary election is being held throughout West Virginia today for the purpose of nominating candidates for the republican and democratic tickets for United States senator, governor and other state offices. Interest is intense and party leaders predict that a heavy vote will be cast. The selection of delegates to the district conventions last month to the republican national convention will be ratified and their credentials telegraphed to Chicago. Four republicans seek the nomination for United States senator. They are Howard Sutherland, representative-at-large; former Gov. A. B. White, W. F. Hite and B. S. Rosenbloom.

United States Senator Chilton is opposed for the democratic nomination.

Judge Ira Robinson and Attorney General A. A. Lilly are the leading candidates for the republican nomination for governor, and J. B. Wilson, Gov. Hooge and Col. D. E. French are the democratic candidates.

Florida Democrats Balloting.

TAMPA, Fla., June 6.—Florida democrats, in their party primary today, balloted for a United States senator, four representatives and a complete state ticket. The voters also expressed their choice for Vice President between Vice President Thomas R. Marshall and Gov. Elliott W. Major of Missouri. Delegates to the democratic national convention already have been chosen by the state executive committee, and as only one candidate for the presidential nomination—President Wilson—has qualified, primary rules do not require the voters to indicate their preference for President.

List of Aspirants for Honors.

For United States senator, Nathan P. Bryan, the incumbent, is opposed by former Gov. Albert W. Gilchrist, Gov. Park Trammell and Percy G. Wall of Tampa.

Representative S. M. Sparkman is opposed for re-election in the first district by Herbert J. Drane of Lakeland.

In the third district Walter Kehoe, J. D. Smithwick, J. D. Stephens and C. L. Watson are seeking nomination to succeed Representative Emmett Wilson, who is not a candidate for re-election.

Representative W. J. Sears is opposed in the fourth district by J. M. Fogarty of Key West and Forrest Lake of Sanford.

Representative Frank Clark is without opposition for renomination in the second district.

For governor, there are five candidates—S. J. Cattle, Ion L. Farris, F. M. Hudson, W. V. Knott and Frank Wood. The registration list this year shows 120,296 names, the largest on record, and a gain of 24,000 over the 1914 registration. Voters this year will have their first chance to express their second choice for each office, and it is expected this will increase the time necessary to count the ballots.

Democratic nomination is considered equivalent to election.

Woman Suffrage Probably Loses.

DES MOINES, Iowa, June 6.—The defeat of woman's suffrage in Iowa is indicated today by returns from yesterday's primary. Supporters of the amendment say, however, that the vote from the rural districts will turn the tide in their favor.

Late returns indicate that W. L. Harding of Sioux City has been nominated in the republican primaries for governor over his three opponents, George Cosson of Audubon, Joseph H. Allen of Pocahontas and Carl Kehuele of Denison.

E. T. Meredith of Des Moines was unopposed as the democratic gubernatorial candidate.

Suffrage advocates, while still claiming victory, admit that the anti's are running neck and neck. Both sides claim that the late rural returns will establish victory for their respective causes.

Results in North Carolina.

RALEIGH, N. C., June 6.—Attorney General T. W. Bickett was nominated in the statewide legalized primary of Saturday as the democratic candidate for governor by about a 25,000 majority over Lieutenant Governor E. L. Daughtridge.

For attorney general the indications are that James S. Manning of Wake has been nominated. For the other state offices all the incumbents—all democrats—have been renominated.

Majority Leader Claude Kitchin carries every county in the second congressional district, his majority over William W. Mitchell of Bertie being above 7,000.

Representative B. L. Godwin, in the sixth district, will have to go into a second primary with J. A. Brown of Columbus. In the seventh, Lee D. Robinson of Anson has a big lead over U. S. Spencer of Moore, but it will take a second primary to decide. In the tenth district Zebulon V. Weaver of Asheville is the democratic nominee, having a majority over his three opponents.

Vote for President in Pennsylvania.

HARRISBURG, Pa., June 6.—The state department today completed the vote for President in the recent primary election in the sixty-seven counties of the state. The republican vote is as follows:

Brumbaugh, 233,095; Roosevelt, 12,359; Ford, 20,255; Hughes, 1,804; Knox, 322; Root, 24; Granger, 74; Scatterings, 1,254.

Democratic—Wilson, 142,202; Ford, 1,561; Scatterings, 257.

Washington—Roosevelt, 3,715; Scatterings, 2,643.

Socialist—Benson, 1,597; Scatterings, 173.

Prohibition—Brumbaugh, 242; Wilson, 241; Scatterings, 290.

We Recommend FEDERAL TIRES

DOUBLE-CABLE-BASE

Because they are the only tires carrying four heavy twisted steel cables in the base—next to the rim.

This exclusive feature makes it impossible for the tire to slip over the rim.

FEDERAL DOUBLE-CABLE-BASE TIRES

therefore are the safest tires ever built. Don't take chances—buy Federals.

PAY HONOR TO THE FLAG.

Daughters of Veterans Give Attractive Program at G. A. R. Hall.

An address by Col. John McElroy, past national senior vice commander of the G. A. R.; the reading of an original poem dedicated to the Daughters of Veterans, by Dr. Thomas Calver, and a musical program featured the Flag day exercises held by the Daughters of Veterans yesterday evening in the Grand Army Hall.

Following the invocation by Col. J. T. Thompson, Commander-in-Chief, V. S. Spelman of the Sons of Veterans presented the colors and spoke on the subject "Our Heritage." Among the other speakers were Miss Jennie L. Hamilton, national inspector, and Mrs. I. W. Ball, past national senior vice president of the Women's Relief Corps. Miss M. G. Spencer, patriotic instructor, presided.

URIC ACID—GOING—GOING—GONE

"Anuric" Will Not Fail to Stop Your Backache

People are realizing more and more every day that the kidneys, just as do the bowels, need to be flushed occasionally. The kidneys are an eliminative organ and are constantly working, separating the poisons from the blood. Under this continual and perpetual action they are apt to congest, and then trouble starts. Uric acid backs up into the system, causing rheumatism, neuralgia, dropsy and many other serious disturbances. Dr. Pierce of Buffalo, N. Y., advocates that every one should drink plenty of pure water between meals. Every day should exercise in the outdoor air, and should sweat profusely, and from time to time stimulate the kidney action by means of "Anuric." This preparation has been thoroughly tried out at his sanitarium, in the same way as

some seriously, by a tornado which swept through the western section of this city early today. Almost 250 homes were damaged, some of them being demolished.

More in Favor Than Ever Georgette Crepe Blouses

For any material so sheer and dainty Georgette crepe wears wonderfully well, which is one of the reasons for its popularity, but the pretty models we are showing at—

\$3.95, \$4.95 and \$5.75

—Are perhaps the biggest reasons of all for the popularity of these three lines of Georgette Blouses.

One new effect is a full-pleated frill style, which is in the \$3.95 line.

Other styles just arrived in our \$5.75 line are New Frilled Models, with an embroidered trimming bordering the frill, collar and cuffs, in contrasting colors to the color of the blouse; the edges are finished with a picot. Another style in this line is a ruffled frill finished with a point venise lace edge.

Still others are embroidered effects, plain tailored styles, tucked models and still other pretty styles; in both the \$4.95 and the \$5.75 lines. Colors are pink, flesh, white and other wanted shades. All sizes.
